

Provider Rate Changes Effective July 1, 2026

Attention: Wyoming Medicaid Providers

Issue Date: September 23, 2026

Overview of Rate Changes

As a result of budget increases authorized by the Wyoming State Legislature, updates to several provider areas and reimbursement rates were implemented with an effective date of **July 1, 2026**. These adjustments are designed to align state plan fee schedules with legislative appropriations and enhance access to critical healthcare services across Wyoming.

The table below outlines the specific program and service categories impacted by this legislative funding:

Program / Service Category	Change Implemented (Effective July 1, 2026)
Behavioral Health Services	Rebased using a previous cost study data combined with inflation adjustments
Wyoming Critical Access Hospitals with Delivery Services	Elevated to 100% of Cost Coverage
OB / Maternity Care	Reimbursed at 105% of 2026 Medicare rates
Other RBRVS / CPT Codes	Updated to baseline at 90% of 2026 Medicare rates
Emergency Medical Services (EMS)	Reimbursed at 100% of 2026 Medicare rates, including Medicare rural and super-rural add-on models

Accessing Fee Schedules & Code Verification

Providers must utilize the updated online fee schedules to verify individual procedure codes and exact reimbursement limits.

1. **Accept the License Agreement:** Fee schedule data contains copyrighted intellectual property from the American Medical Association (AMA) and American Dental Association (ADA). You must read and accept the CPT® Fourth Edition user agreement on the portal before system access is granted.
2. **Download or Search:** Once authorized, navigate to the Wyoming Medicaid Fee Schedules Portal to use the *Procedure Code Search* function or extract the full *Downloadable Fee Schedule*. Downloadable documents are refreshed during the first and third weeks of every month.
